A cup holder for the
discerning, exclusive
T-shirt Seller

Featuring:

- Three different styles of inlay
 - **Carved(left)**: So you can use it like a stamp
 - **Patterned(right)**: For the customers who might leave a mark on your merchandise
 - **Nigh Invisible (above)**: Customers will only see the secret messages and symbols by the last light of Durin's day! Are they worthy to enter your store? Find out!
- Egyptian Heiroglyphs tell your customers to shop in Ancient Egyptian!
- Russian Dancing Men adorn the top band so your customers know that you aren't just any Capitalist swine
- Asymmetrical in every possible way because you're a twisted sister!
- A dragon on the handle because everyone wants dragons!
- The base can be used to leave the mark of Rassilon on any and all surfaces. Time Lords will know it's their kind of place.
